

The leading Innovation Knowledge & Learning Platform for Corporate Innovators

We manage, connect and scale innovation ecosystems and the knowledge within

Sales & Growth Analyst (m/f/x)

Our young and international team based in Bonn is growing and we are looking for movers & shakers that want to change with us the way established organisations handle innovation.

YOUR PROFILE

- Excellent communication skills, team player, self-organised and results driven
- Very good German and English language skills
- Practical experience in the area of sales and growth hacking of an advantage
- Previous experience as a freelancer, in a startup or an agency of an advantage

YOUR TASKS

- Management of our individual sales channels & continuous lead generation
- CRM maintenance and continuous development of our customer database
- Sales process management and automation through workflows and integration with other company's systems
- Customer support

OUR OFFER

- Fully remote working from anywhere you are
- Flexible working hours
- 20 - 40 hours a week ideally as a working student or an intern
- Fair and individually negotiated salary
